**VATICAN CALLS FOR
'CENTRAL WORLD BANK'**

DRUDGE REPORT

- Pope Benedict XVI, “To manage the global economy; to revive economies hit by the crisis; to avoid any deterioration of the present crisis and the greater imbalances that would result; to bring about integral and timely disarmament, food security and peace; to guarantee the protection of the environment and to regulate migration: for all this, there is urgent need of a _____ world political authority. . . Such an authority would need to be _____ recognized and to be vested with the effective power to ensure security for all, regard for justice, and respect for rights. Obviously it would have to have the

authority to ensure _____ with its decisions from all parties, and also with the coordinated measures adopted in various international forums” (*Caritas in Veritate*, http://www.vatican.va/holy_father/benedict_xvi/encyclicals/documents/hf_ben-xvi_enc_20090629_caritas-in-veritate_en.html).

- Ellen White, “It is true that there are _____ Christians in the Roman Catholic communion. Thousands in that church are serving God according to the best light they have. . . . God looks with _____ tenderness upon these souls educated as they are in a faith that is delusive and unsatisfying. He will cause rays of light to penetrate the dense darkness that surrounds them. . . .

“But Romanism as a system is no more in harmony with the gospel of Christ now than at any former period in her history. . . . The Roman church is far-reaching in her plans and modes of operation. She is employing _____ device to extend her influence and increase her power in preparation for a fierce and determined conflict to regain _____ of the world, to reestablish persecution, and to undo all that Protestantism has done. . . .

“Stealthily and unsuspectedly she is strengthening her forces to further her own hands when the time shall come for her to strike. All that she desires is _____ ground, and this is already being given her. We shall soon see and shall feel

what the purpose of the Roman element is” (*The Great Controversy*, pp. 565-566, 581).
